

MODULE E

THE BUSINESS OF BEING A CURE™ TRAINED PROFESSIONAL

Now you are ready to help people attain an even higher level of money consciousness. Using your certification and building an ethical Certified URSLA™ Reviewer and Educator business will reap rewards. Professionals who really “get it” have many ways to serve people in their community and in the world.

Module E finalizes your CURE™ training and builds on your commitment to being a respected professional in your community.

You are able to help many individuals by your work educating and enhancing a new way relationship with money and wealth. You wish to serve those committed to enhancing their financial longevity while living a wealth filled life.

Module E also provides you with an insightful look at leading edge thinking in the area of wealth maturity and mastery.

In previous modules you learned reasons why a new professional is needed. A new professional is needed to help individuals define and build on the emerging “New Money Normal” paradigm. This module gives you deeper learning to help clients to move to a higher level of understanding regarding their money and how money relates to wealth in their life.

In light of upcoming challenges in our economy, it is apparent individuals cannot continue to put their heads in the sand and wait to face the reality of their financial situation. By taking control now, people

can become empowered to both define and design their financial future in a way that serves them and those important to them.
